Town of Pinetops Economic Development Assessment Advisory Committee

The Town of Pinetops is in the process of developing and implementing an Advisory Committee for the Town Economic Development Assessment for the present and future of Pinetops “Where we are NOW: where we want to go in the FUTURE”. The idea is to create a “TEAM of 10” of dedicated open-minded folks to put this process in ACTION!! The ideal Dream Team should consist of citizens of Pinetops, local business, and property owners, up to two Town Commissioners (including Coordinator), and a few other stakeholders. Please note this list is not conclusive.

This is a solicitation to the citizens of Pinetops asking for your help and participation.

Initial Thoughts

- The Committee will meet 3 to 4 times for 90 minutes at least Bi-weekly (Due to COVID-19 concerns, meeting will be virtual for many and limited space at Pinetops Town Hall)
- Team lead attends monthly Board of Commissioners meetings

If interested in being a member of the Committee or working with the Committee, please contact the town Administration Office at 827-4435 or email obrown@pinetopsnc.com or mabryoscar@gmail.com with the following information no later than January 18, 2021.
